## COVID-19 Update

8<sup>th</sup> April 2020

An update as we approach Easter:

Covid-19 has made its way to the Northwest Territories and Yukon; thankfully, so far, confirmed cases are low in number and Nunavut has not seen any cases. Please join us in praying for the small, remote communities that they would not have the disease spread among them. Pray protection for our most vulnerable brothers and sisters.

*On Eagle's Wings* is:

Reaching out to children and families with online Bible-based activities including crafts for Holy Week and an entire VBS curriculum that families can download at no cost and have some faith-based activities to do with their children. personal contact, and prayer.

Using technology and social media to stay in touch with northern and southern friends.

Monitoring the progress of the pandemic to assess how and when Bible Camps might take place.

Working on holding our Annual General Meetings in the spring by video conferencing. We would really appreciate it if you would update your email and phone information with us so that we can include you in the invitations.

Keeping our office open regular hours so that we can continue with our mission to walk with northern people. However, to preserve the health and safety of our staff and volunteers, Staffing is reduced to one person in the office at one time. The best way to reach us is by email or phone (leave a message if we are not able to answer right away). Much as we love to see you, please do not drop by the office.

Plans and recommendations will continue to evolve over time. We will keep you updated as things progress. Please do not be shy to call or email us if you have questions. Thank you gain for being part of the *On Eagle's Wings* family. You are loved, appreciated, and kept in prayer.

*Those who hope in the Lord will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint. Isaiah 40:31*
