Examples of Common Planned Gifts

Perhaps the easiest way of making a planned gift is through your will. A **BEQUEST** can take the form of

- a set amount of money
- a percentage of an estate
- a specific asset

A gift of **LIFE INSURANCE** can help you make a significant, lasting impact at a relatively low cost. You can name *OEW* as the beneficiary the same way you would a person. Some policies provide you with tax savings now, and others do as part of your estate.

With some limitations, if you gift **SECURITIES** to a charity such as *OEW*, you can avoid paying capital gains tax and receive a tax receipt for the full value of the donated shares! This benefit applies whether you make the gift now or as part of your estate.

Our ministry provides Christian education, pastoral care, counseling, worship, and Bible Study opportunities for individuals and groups living in remote northern communities.
